

DOCTOR OF PHARMACY (PHARMD)–ACCELERATED SCHOOL OF PHARMACY

LOCATION: Worcester; Manchester, NH | **START TERM:** Fall

Advance your education and launch a healthcare career with the **DOCTOR OF PHARMACY (PHARMD)–ACCELERATED** program at MCPHS. Immerse yourself in the pharmaceutical sciences, collaborate with world-class faculty to conduct research, and prepare to provide essential patient care. After 34 consecutive months of study, you will be equipped to lead innovations in every facet of the pharmaceutical industry.

AT-A-GLANCE

- ▶ Earn your doctorate in less than 3 years.
- ▶ Customize your degree by choosing a concentration, earning a dual master's, or completing a graduate certificate in a complementary field.
- ▶ Spend 9 months in Advanced Pharmacy Practice Experiential (APPE) rotations.
- ▶ Participate in interprofessional practice and education (IPE) activities to explore collaboration with other healthcare professions.

WHY MCPHS

- ▶ Attend the #1 pharmacy school in New England and one of the top 5 in the nation.
- ▶ Collaborate with expert faculty on research and scholarly works.
- ▶ Enjoy the convenience of city living while joining a close-knit community on the Worcester or Manchester, NH campuses.
- ▶ Become a part of the University's 200+ year legacy of pharmacy excellence.
