

DOCTOR OF PHARMACY (PHARM D)–DIRECT ENTRY SCHOOL OF PHARMACY

LOCATION: Boston | **START TERM:** Fall

THE DOCTOR OF PHARMACY (PHARM D)–DIRECT ENTRY

continues the founding vision of MCPHS: to train pharmacists who will create better medicines and a healthier future. Students in this program work with world-class faculty in real pharmacy settings to build their knowledge, hone their skills, and prepare to lead innovations in every facet of the pharmaceutical industry.

AT-A-GLANCE

- ▶ Six-year program with pre-professional and professional phases
- ▶ One academic year of Advanced Pharmacy Practice Experiential (APPE) rotations
- ▶ Students also receive a BS in Pharmacy and Life Sciences, a STEM-designated degree
- ▶ Dual degree pathways available for students to earn a master's in a related field

WHY MCPHS

- ▶ Study on Longwood Avenue, Boston's healthcare hub
- ▶ Practice your skills in our on-site community pharmacy and state-of-the-art labs
- ▶ Collaborate with expert faculty on research and scholarly works
- ▶ Become part of a 200+ year legacy of pharmacy excellence
